OUR STORY

FOR MY DAUGHTERS. INSPIRED BY THAILAND.

Bamboo Sky is named after my twin daughters, **Bo** Rose & **Fifi** Sky. They are the inspiration behind this business, and their love, creativity, energy and sense of adventure continue to inspire every new idea and experience we create.

Driven by a love of family, a passion for hospitality, and a desire to create something truly special, **Bamboo Sky is a dream brought to life.**

Building on the foundations of The Willow Tree & No.77 Thai, Bamboo Sky brings together everything I've learned & loved about hospitality over the years: **authentic Thai food, warm service**, beautiful surroundings & a touch of the unexpected.

My vision was simple: to create a place that feels **welcoming, relaxed and memorable**, where every visit feels unique, yet consistently wonderful.

All this made possible by **our remarkable team**, who bring Bamboo Sky to life every day & make the magic happen.

Thank you for spending time with us. We hope you've enjoyed a little escape from the ordinary.

**WITH LOVE,
SHAINA**
