A Hidden Gem

Just Outside Cambridge

Follow the lanes into picturesque Bourn and find Bamboo Sky among country gardens, a wild meadow and open skies.

Here, the easy warmth of a village pub meets the colour and generosity of Thai feasting.

Say your vows beneath the willow, linger over drinks in the garden, then dance as the lights come on.

THE CEREMONY

Beneath the Willow

Begin your day beneath the branches of our magnificent willow, surrounded by the garden and open countryside.

Your ceremony can be personal, relaxed and entirely your own, from the music and readings to the words you choose to share.

SYMBOLIC OR CELEBRANT-LED

Legal formalities take place separately

Long Tables, Open Skies and Your Favourite People

SEATED OR FREE-FLOWING

Most couples dine outside, but that does not have to mean a formal table plan. Choose long feasting tables, curated seating or a relaxed, free-flowing garden party.

Canapes, sharing bowls, buffets and barbecues all work beautifully in the garden and meadow.

RELAXED OR REFINED

Choose a festival-inspired gathering, a flowing banquet layout or a more elegant seated wedding breakfast.

Our meadow canopy brings shade and shower protection from late Spring 2027, while keeping the outdoor feeling.

FOOD AND DRINK

Food Is at the Heart of It

Choose a formal sit-down wedding breakfast or Thai feast, or keep things informal with arrival canapes, colourful bowls, sharing feasts, buffets and barbecues.

Later in the evening, we can serve wood-fired pizzas or Asian bites - perfect for a second wind around 9pm.

Drinks can include fizz, wines, beers, cocktails and mocktails, with a fully stocked bar throughout.

When the Lights Come On

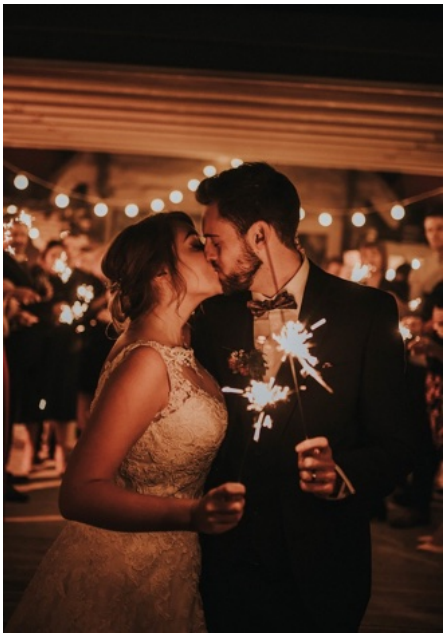

The willow glows. The domes begin to twinkle. The garden changes completely.

Gather around the fire pits, move into the lounge bar or dance beneath the stars.

EVERY SEASON

Not Only a Summer Love Story

COSY AUTUMN AND WINTER WEDDINGS

Open fires, a warm restaurant, fairy-lit gardens and heated domes create a different kind of magic when the evenings draw in.

The botanical lounge bar can also be transformed for dancing and evening celebrations.

A BEAUTIFUL PLAN B

If the weather turns, up to 50 guests can dine across our seven private domes, or up to 80 can dine in the restaurant.

The meadow canopy adds a shaded and showerproof ceremony and dining option from late Spring 2027.

All the Magic, on a More Intimate Scale

PART-HIRE AT BAMBOO SKY

You do not need to hire the whole venue to have a beautiful Bamboo Sky wedding. Smaller celebrations can enjoy private or part-exclusive use of the willow garden, wild meadow and adjoining domes.

A MORE FLEXIBLE BUDGET

Perfect for an intimate ceremony, garden drinks and a generous Thai feast with the people closest to you - with venue and planning options shaped around your numbers and plans.
